Candi:

Per your request, and in accordance with the Amador LAFCO Checklist 2010 provided, we propose to prepare the RPPUD LAFCO Annexation Map and Legal Description to include the El Dorado County parcels now served by RPPUD for a fee of \$3500. The scope of this work would include creating the annexation map per the requirements of the State Board of Equalization and preparing the meter and bounds description with courses numbered, listing and matching the El Dorado County annexation area exhibit.

Under separate cover, we will provide you with a similar proposal to annex the 3 Amador County parcels, identified in your recent email, into the RPPUD LAFCO boundary. We believe that annexation of the El Dorado County parcels are more critical to the River Pines Water System Rehabilitation Project and, therefore, have submitted the El Dorado County proposal first, for your consideration.

Very Truly Yours,

KASL Consulting Engineers
